

JUST MAKE A CHANGE MINISTRY INTERNATIONAL

🔥 MISSION – WHY WE EXIST

“It is our mission to motivate people to make a positive impact in their direct circle of influence by inculcating a perception of love with no constraints that declares, I can make a change.”

- This ministry is a call to action—you don’t have to wait. You already have what’s in your hand to start influencing your world.
- We are motivating people to act—not just dream, but move—because you can do it.
- We teach people to *inculcate*—plant deep through repeated exposure—a way of seeing love that has no constraints and declares: *I can make a change*.
- We do this through:
 - **Faith** (mental image in your mind)
 - **Hope** (believing for what you haven’t seen yet)
 - **Acts of Service**
 - **Patience** (how you wait, not just that you wait)
 - **Long-suffering** (endurance and resolve)

🌍 VISION – WHERE WE’RE GOING

“To create a selfless, more unified world that invests time, energy, and assets to produce better citizens in society.”

- This is about building people up so they can build others.
- We’re not just giving—we’re *investing*. That’s long-term. That’s legacy.
- We help people *belong*, feel *seen*, and know their *worth* so they can give that away.
- We speak to the **dream level** in people—not where they are, but where they’re headed.

🏠 THE 7 THINGS YOU CAN COUNT ON FROM US

These are the pillars. The building blocks. The fruit of our mission in motion.

🔍 1. Exposure

*“Faith comes by hearing... but **hopes and dreams** come by **exposure**.”*

- Exposure creates wonder and imagination.
- If you’ve only seen dysfunction or limitation—we’ll show you more.
- Like kids watching *Doc McStuffins* start dreaming of becoming doctors—your dreams rise with what you see.
- Our job: show you what’s possible.

🕶️ 2. Perspective

“When you re-examine something with new exposure, it changes everything.”

- Perspective is about *seeing differently* after being exposed to something new.
- Like how watching the new *Star Wars* made the old ones suddenly captivating.
- We want to give you new lenses, so you can make informed, God-centered decisions—not just repeat defaults.

3. Grace

“God gives deliberate favor that adds *no debt*. We want to do the same.”

- Grace is undeserved, unearned, unburdened kindness.
- We give favor without strings attached—just like God did for us.
- Your past doesn’t disqualify you—your *story isn’t over*.

4. Relationships

“Love must be freely given to be truly received.”

- Real connection means *authenticity* and *vulnerability*.
- You are *chosen*—not tolerated, not earned. Chosen *with* your flaws.
- When people can choose the real you, not the performance—you *belong*.

5. Growth

“We plant. We water. We pull weeds. But when harvest comes—we celebrate with you.”

- Growth is spiritual, emotional, personal, relational, financial.
- You won’t stay stuck around here—we’ll push and support your forward movement.
- We’re not here to take your harvest—we’re here to *celebrate it with you*.

6. Expansion

“If you can’t imagine it, you can’t ask for it. And if you don’t ask—how can you receive?”

- We want to *stretch your vision*.
- Expand your imagination, your vocabulary, your strategy.
- You’re not just growing—you’re multiplying. God has *more* in mind for you.

7. Live. Learn. Love.

“Every day is a gift. We’ll help you open it.”

- **Live** – Don’t let life pass as flat lines. Fill your timeline with moments.
- **Learn** – Discover what brings you giddiness, empowerment, inspiration.
- **Love** – Make God visible through how you love others—relentlessly, patiently, intentionally.

HOW WE DO THIS

“We don’t just give you theory—we give you tools.”

We bring the mission to life through:

- **Entertainment** – Music, plays, books, children's content, short films.
- **Teaching** – Bible studies, men's and women's groups, connect-at-home circles, podcasts.
- **Outreach** – Evangelism, city events, prison ministry, activity centers.
- **Mentorship** – Real rooms. Real people. Real conversations.
- **Bodybuilders Movement** – If you believe in Jesus, we’re on the same team. We build unity across church lines.
